*Before filling out your pledge card, take time to pray and reflect on all the blessings of your life. Your pledge is an outward and visible sign of our commitment to God as well as our common desire to serve one another through Christ. Using the tithe (10% of your annual income) as a goal, consider a pledge that stretches you somehow and challenges you to move beyond your comfort zone. Your generous support will not only help us to strengthen and expand our mission and ministry, but will help you to grow in your faith as you make giving a priority in your life.*
